

### **Recommended 5-7 Daily Schedule**

*It's important for families and scholars to set up a consistent routine each day to maximize their remote learning and to help stay calm during the closure. By setting up a schedule for your scholar(s), families can better support teachers and scholar(s) make progress in their learning. Teachers at Brilla will take attendance each day at 3:00pm. They will take attendance based on what your scholar has completed for their Remote Learning.*

*Brilla recommends creating a schedule like the one here and putting on your refrigerator or wall at home. You can use the schedule with students like a checklist, and ask them to "Check the Box" when they complete each task. Of course, if you have any questions, please contact your student's teacher!*
