

All About Me Project

This summer, scholars can create their own All About Me project to help celebrate what makes them special and to build community by sharing this with classmates when we return to school in the fall. The project should state the child's name and show some of their favorite things. Scholars have a choice in how they would like to present their project. It can be a poster, Google Slide Show, book or picture! Use the examples below for inspiration, but let your creativity guide you! :)

All About

THIS IS A PICTURE OF ME!

I am _____ years
old and in _____
grade at

Elementary
School!

Here are some
words that
describe me!

Favorites
