Dear Bronx Families,

It's wonderful to welcome another summer season—a time for sunshine, exploration, and new beginnings! At Brilla Schools, our commitment to children extends well beyond the classroom. We believe that learning, curiosity, and joy should flourish all year long. As both an educator and a mother, I understand how valuable it is to keep children engaged and inspired during the summer months. That's why we're excited to share our Summer Resource Guide for 2026, newly designed and thoughtfully curated with programs, community events, and digital learning opportunities designed to spark growth and creativity.

At Brilla, **we embrace the development of the whole child**—mind, body, and heart. Summer offers a wonderful opportunity to nurture that growth. It's a season to explore new interests, build friendships, and create lasting memories, all while continuing to learn in meaningful and joyful ways. Whether your family prefers local experiences or virtual adventures, this guide will help you discover enriching options that fit your child's unique interests.

Our partnership with families remains at the heart of everything we do. **We're here for you every step of the way**, supporting your child's journey from the first day of school to the last day of summer—and beyond.

Warm Regards,

Yeime Valle
